[Orcid: 0000-0003-1149-6614](https://orcid.org/0000-0003-1149-6614)

### Personal details

Born in 1979 in Gdańsk, Poland. Polish citizen.

### Research interests:

International Trade; The Impact of Trade, Production Fragmentation and Technology on Labour Markets and Productivity; Economic Integration; Economic Growth; Productivity and Efficiency Analysis.

### Research impact:

1243 citations, h-index=16 in Google Scholar;

347 citations, h-index=10 in Web of Science [as of 14 April 2023], the list of publications on pp. 5-7

### Academic degrees/titles:

- 2016 Habilitation in economics, Gdansk University of Technology, Poland (Ministry Award),
- 2008 PhD in Economics, 26 Febr 2008, Università Politecnica delle Marche, Faculty of Economics, Ancona, Italy (final note: excellent/ottimo)
- 2006 MA in Contemporary European Studies, 7 Nov 2006, University of Sussex, Sussex European Institute(SEI), Brighton, UK (graduated with distinction)
- 2005 MSc in Economics, 31 Oct 2005, Università Politecnica delle Marche, Faculty of Economics, Ancona, Italy
- 2003 MSc in Economics and Finance, 27 Oct 2003, Faculty of Economics, Gdansk University of Technology, Poland
- 2002 BA in Management and Economics, 24 April 2002, Gdansk University of Technology, Poland

### Academic career:

- since Feb 2017 Gdansk University of Technology, Faculty of Management and Economics, Gdansk, Poland  
associate professor
- since Oct 2018 Gdansk University of Technology, Gdansk, Poland; Head of Doctoral Studies  
Faculty of Management and Economics
- Jan-May 2018 University of California, Berkeley, USA  
Fulbright Visiting Scholar (Fulbright Senior Award, sponsor: prof. David Card)
- since 2017 University of Macerata (Italy)  
member of the Board, PhD Program in Quantitative Methods for Economic Policy
- Sept 2011-June2012 Universitat Pompeu Fabra, Department of Economics and Business, Barcelona, Spain  
visiting post-doc researcher (host: prof. Antonio Ciccone)
- 2008-2016 Gdansk University of Technology, Faculty of Management and Economics, Gdansk, Poland  
assistant professor

### Honors, Scholarships and Awards

- 2017 Fulbright Senior Award, Polish-U.S. Fulbright Commission
- 2017 Habilitation Award of the Ministry of Science and Higher Education (Poland)
- 2020-2021 CERGE-EI Graduate Teaching Fellowship (also in: 2015-2016, 2016-2017, 2017-2018, 2018-2019)
- 2011-2014 Research scholarship for outstanding young researchers - Ministry of Science & Higher Education (Poland)
- 2011-2012 Post-doc mobility grant (realized at UPF) from Polish Ministry of Science & Higher Education
- 2016 Rector of Gdansk University of Technology Award for outstanding scientific achievements (also in: 2011,2012, 2013,2014)
- 2021 Rector of Gdansk University of Technology Award for organisational achievements (also in:2018)
- 2010 START Stipend for Young Researchers - Foundation for Polish Science
- 2009 Olga Radzyner Award for Scientific Work on European Economic Integration (with J. Wolszczak-Derlacz) – National Bank of Austria
- 2009 Rector of Gdansk University of Technology Prize for young scholars for outstanding scientific achievements
- 2008 Best Paper Award (with A. Lo Turco) - National Bank of Poland's Conference
- 2006 Best MA student award - Sussex University, Brighton, UK
- 2004-2007 PhD scholarship from the Italian Ministry of Education, University and Research, ranked at the 1<sup>st</sup> place in the graduatory
- 2002-2003 ERASMUS student mobility grant - Università Politecnica delle Marche, Ancona, Italy

Languages Polish (native), fluent in English and Italian, basic Spanish

Computer skills STATA, R, Latex

## **Research grants and participation in research projects**

2022-2025	<i>Rethinking Global Supply Chains: measurement, impact and policy (RETHINK-GSC)</i> , funded by the EU's Horizon Europe. Institute Lead. ( <a href="http://rethink-gsc.eu">rethink-gsc.eu</a> )
2021-2024	<i>"Technological specialisation and productivity divergence in the age of digitalisation, automation and AI"</i> - OPUS19 financed by National Science Centre –Poland; principal investigator
2022-2026	<i>"Technological specialisation in Europe- patterns, causes, implications"</i> – European Commission/Eurostat, principal researcher
2016-2021	<i>"Effects of global production networks on employment, earnings and factor allocation in the presence of workers, firms, and tasks heterogeneity"</i> - OPUS 10, financed by National Science Centre –Poland; investigator
2018	<i>"The impact of trade exposure and global division of labor on product variety - evidence from Europe and the U.S."</i> - realized at: <i>University of California, Berkeley, USA</i> (sponsor: prof. David Card); financed by the Polish-U.S. Fulbright Commission; project coordinator and principal investigator
2015	<i>"Trade, Offshoring and Labour market Inequalities. Cross-country evidence based on linked micro-industry data"</i> – InGRID project financed by EU FP7; investigator
2014-2016	<i>"Gender wage discrimination "</i> – project within EU FP7 (No. 64/2013-LFS-EU-SILC-SES), granting access to Eurostat microdata: LFS, SILC, SES; investigator
2014-2016	<i>"Labour market implications of international outsourcing and global production sharing"</i> , OPUS 6, financed by National Science Centre –Poland; project coordinator
2012-2016	<i>"Related-unrelated trade variety "</i> – project <i>The EU in the new complex geography of economic systems: models, tools and policy evaluation</i> financed by: EU - European Cooperation in the Field of Scientific and Technical Research - ISCH COST Action IS1104, investigator and Steering Committee member
2011-2015	<i>"Process of trade diversification in the course of economic development – theory and international empirical evidence"</i> – OPUS1 , financed by: National Science Centre – Poland, project coordinator
2011-2012	<i>"Between risk and productivity - diversity of economic activity in open economies' growth process"</i> – Post-doc mobility grant (at <i>Universitat Pompeu Fabra</i> ), financed by: Polish Ministry of Science and Higher Education, project coordinator
2010-2012	<i>"Research efficiency of Polish public higher education institutions"</i> , financed by: Polish Ministry of Science and Higher Education; investigator
2010	<i>"Market size, competitiveness and technological frontier – the impact of trade on productivity in Polish manufacturing sectors"</i> , financed by: National Bank of Poland; project coordinator
2010-2011	<i>"Skilled-unskilled wage inequality in the enlarged EU"</i> - financed by: CERGE EI 10 <sup>th</sup> RRC; project coordinator
2010	<i>"Efficiency of European public higher education institutions - "An agenda for new public enterprise. Ownership and governance for general interest"</i> , financed by: European Investment Bank, EIBURS, NEWPEN European Network
2009-2010	<i>"The competitiveness of research and scientific efficiency of Polish universities"</i> , financed by: Ernst and Young – Better Governance; co-investigator
2007-2009	<i>"EU enlargement and the labor markets in old and new member states - European Union Policies, Economic and Trade Integration Processes and WTO Negotiation"</i> , financed by: Ministero di Educazione e della Ricerca, Italy; co-investigator
